Concordia Church is more than a Sunday morning church. Putting our faith into action, we are a community where people feel God's love and grace in their lives.

- We walk with people wherever they are in their life and journey of faith.
- We connect and engage people in our mission to serve the larger community.
- We inspire community members to put faith into action.

Worship at Concordia

Concordia is a warm, loving, gospel centered community with vibrant worship that gives voice to our faith and joy in our life together in Christ. We seek to glorify the name of God through music, and uplift the human spirit and encourage everyone to share their gifts in worship.

Nurturing Faith

Christian Education at Concordia nurtures children and adults in their spiritual formation. Children discover the teachings of the Bible in ways that make it come alive and adults participate in discussions and Bible studies to enhance their own learning and knowledge.

Children's Church

Providing families with opportunities to develop their children's faith in a supportive and caring environment.

Youth

Actively engaging youth in the community as they continue to be nurtured spiritually and grow in their relationship with God and each other.

Adult Christian Education

Designed to help adults journey deeper into their faith through examining theological perspectives and practicing spiritual disciplines.

Be Connected

The little church that could

In the face of overwhelming odds over 37 years ago, we reached out beyond ourselves to serve our neighbors, share God's love and grow in our faith together.

Concordia Church not only proved it could grow then, but did even more with the expansion to the Avondale neighborhood 12 years ago.

*Today, we're **The Church That Does!**
Thank you for being a part of this exciting ministry.*

Be Connected

Love God. Love your Neighbor.

We understand 'church' to be what happens in places where we live out our faith together.
